## Summary

Aspiring software developer with a strong focus on enhancing coding and problem-solving skills. Proficient in Java, HTML & CSS, and SQL. Demonstrated exceptional time-management and leadership abilities. Committed to achieving high-quality results in a fast-paced environment.

## Experience

**Software Developer Internship • SDAC infotech** **Apr 2023 - June 2023**

- Completed an internship at SDAC Infotech, gaining valuable experience in technology such as Java, SQL, and frontend development
- Demonstrated ability to contribute effectively to project development and implementation through hands-on learning during the internship at SDAC Infotech

## Education

**Bachelor of Science**

**From THAKUR COLLEGE OF SCIENCE AND COMMERCE** **Jul 2021 - Present**

**MUMBAI UNIVERSITY**

Computer Science • Grade: 9.15

EDUCATION:

- Pursuing a computer science program, acquiring proficiency in Java, Html & CSS and database management.
- Developed a solid foundation in computer science, focusing on practical applications and problem-solving techniques.

## Projects

**Patient Health Record Management System** **Jul 2023 - Present**

THAKUR COLLEGE OF SCIENCE AND COMMERCE (MUMBAI UNIVERSITY)

- Developing the Patient Health Record Management system to revolutionize tracking and managing a records of Health report and Appointments.
- Implemented dynamic features to visually display the Appointments and Health Record.
- Created an intuitive and user-friendly interface for seamless navigation and effortless access to Different User Logins
- Streamlined the process of tracking and managing Appointments.

**Web-Based Application** **May 2023 - Jun 2023**

SDAC INFOTECH

- Developed a web-based application with a robust database for efficient management of data - Implemented CRUD (Create, Read, Update, Delete) operations to allow seamless interaction with the database

- Designed a user-friendly interface for easy navigation and intuitive data entry
  - Successfully ensured data integrity and security measures within the application
  - Streamlined and automated processes, resulting in improved efficiency and productivity
  - Conducted thorough testing to identify and resolve any bugs or issues, resulting in a smooth user experience
  - Collaborated with a team to deliver the project within the specified timeline and budget constraints.
- 

## Achievements and Awards

### Internship

Apr 2023

SDAC infotech

- Acquired comprehensive knowledge of cutting-edge technologies and industry practices through a successful internship at SDAC Infotech.
  - Implemented innovative strategies and technologies to streamline processes, resulting in increased efficiency and productivity.
  - Demonstrated adaptability and agility by quickly grasping new concepts and actively seeking continuous learning opportunities.
  - Utilized learned skills and expertise to contribute to the successful completion of projects and achieve exceptional outcomes.
- 

## Skills

Database:- MySQL

Java: Core Java, JSP, JDBC, Servlets, OOPs

Fronted:- HTML & CSS
